DIRECTOR'S NOTE

Welcome to our production of *Cinderella*!

At its heart, *Cinderella* is a timeless tale of hope, transformation, and the power of kindness. It's a story that reminds us that no dream is too big and that even in the darkest of circumstances, magic can be found within us all. In this production, we sought to capture the wonder and whimsy of this beloved fairy tale while bringing a fresh perspective to its timeless themes. Our vision was to create a world that balances enchantment with authenticity. We aimed to showcase Cinderella's courage and resilience, highlighting her inner strength as much as her outer transformation. This production celebrates not just the magic of fairy godmothers and glass slippers, but also the magic of friendship, love, and believing in oneself.

Enjoy the show! -*Linda Deal*

Stage Manager - Ally Rossi

Class of 2025!

STAFF BIOS

MRS. LINDA DEAL (DIRECTOR) is enchanted to be working on Clearview's production of Cinderella. Mrs. Deal is back in for her sixteenth musical on the Toscano stage. She has stepped into many "shoes" over the years, assistant director, art director, costumer, scenic artist, and business manager. Mrs. Deal is a graduate of Rowan University (BFA, Graphic Design and MA, Theatre Arts). She is a strong supporter of the importance of arts education in schools and hopes to inspire many more students to take the stage! Mrs. Deal has taught theater and art classes to grades Kindergarten through High School for over twenty years. She knows that it takes more than magic to put on a production of this size and wants to thank the amazing staff, talented cast/crew, families, and super supportive family and friends. Now let's make the Impossible... Possible!!!

MR. SCOTT GARVIN (MUSIC DIRECTOR) is incredibly excited to be back on the directing staff for this production of Cinderella! Mr. Garvin has a great deal of experience directing, music directing, and performing in shows in the area. He has a BA and a BM in Vocal Music Education from Rowan University. Mr. Garvin would like to thank the staff for always being so supportive and encouraging, and the students for being such wonderful musicians- they are the reason this job is so much fun and worth doing.

DEVON DUFFY (CHOREOGRAPHER) is honored to be part of Cinderella at Clearview! A Temple University graduate and Walnut Street Theatre Education Apprentice, she is a teaching artist, performer, and choreographer for various schools and community theaters in the area. You can see Devon on stage next in West Side Story at Broadway Theatre of Pitman! She extends her deepest gratitude to Linda, Scott, and Chelsea—true miracle workers whose dedication, vision, and endless hard work bring Clearview Theatre to life! To the cast, remember that your goals and dreams are NEVER out of reach. Step into the world "with the promise of possibility," and you will go far. She dedicates this show to every young girl whose ever "dreamed of changing the world she lived in"—may you always hold onto that dream, believe in your own magic, and never be afraid to take the first step toward making it a real

MRS. CHELSEA FRANCHI (ASSISTANT DIRECTOR) Mrs. Franchi has previously directed the middle school show and is in her seventh year as the middle school choral director. Mrs. Franchi is no stranger to the stage and has been involved in theater since a young age. She has a bachelor's degree in Vocal Music Education from Rowan University where she was involved in the opera company and performed on a regular basis. Mrs. Franchi has performed around the world with the Rowan University Concert Choir and considers that one of her favorite memories in college. She has music directed shows at Deptford Theatrical Productions and performed in shows at the Grand Theater in Williamstown and The Broadway Theater in Pitman. She also owns a music studio with her husband, Jack, where she teaches piano and voice lessons. Mrs. Franchi wants to extend her congratulations to the cast and crew of Cinderella on such a phenomenal show! It makes her so incredibly happy to watch these students take pride in what they do and exude passion in their performance.

MRS. JENNA SCOTT (COSTUMER) is excited to be a part of her ninth Clearview Regional High School musical! Mrs. Scott, a history teacher at the high school, earned her Bachelor's degree in History from West Chester University and a Masters degree in School Leadership from Wilmington University. Mrs. Scott is excited to be able to contribute to this year's production and loves working with the cast, crew, and directors. Mrs. Scott would like to thank her husband Chris, daughter Annabelle and son Brandon for all their support. Mrs. Scott is extremely excited to be able to work with the talented students of Clearview Regional High School on this production.

MRS. DEBBIE BROWN (PRODUCER) is happy to be working with the best students and directorial staff as producer/business manager for her thirteenth show. Although her regular job is a secretary in the very busy athletics office, she enjoys the energy and creativity of the musical. Mrs. Brown earned a degree in English/Journalism at the University of Delaware and has worn many hats in the corporate arena before arriving at Clearview in 2007. She enjoys a lot of basketball as she watches her husband Mike coach the Clearview JV boys' basketball team & follows her son Ryan's adventures around the world. She is busy with her rescue dog, Maverick, adopted from Puerto Rico through The Sato Project (previously seen in the CRHS production of Annie as Sandy). She sends a huge "break a leg" to all her favorite people.

MARK MOZZACHIO (SET/RUN CREW DIRECTOR) is back working behind the scenes after a few years off. Mark has a long history of mentoring the crew backstage and is happy to share his expertise with the students. In addition to his work with the crew, Mark is a Media technology teacher with years of experience in the classroom. Mark was also named this year's Educator of the Year!

You have carried yourself with grace, have lit up the stage with sunshine, and have shown sheer grit, determination, and perseverance. No matter what part you received you made each line, note, gesture, and facial expression pure joy to watch. Congrats on your first Clearview musical lead!!!! We know how much this means to you and the time you have dedicated to making the character of Marie come to life! Since your very first visit to the Cinderella castle, you have been captivated by the character of princesses, have empathized with their common struggles, and have applauded the magic that envelopes each fairytale. It is so fitting that as your Clearview theater time comes to a close, we end it transported through the magic of a wand. May you continue to find the magic in every note, in every step, in every adventure and endeavor that you will pursue. May your dreams never be too big! And for your Dad and I, seeing you perform here one last time will “Never Be Enough!” Forever our Drama Mama & Princess P, *Love, your most loyal fans xoxoxoxo*

Giuliana Kathleen,

We can't wait to watch you dazzle on stage as **Marie**! It has been amazing to watch you grow from the performances we would watch when you were 3 to now as almost an adult! We are beyond proud of you and excited to see what the future holds! Never lose the music in you! It is a gift that has brought us so much joy! You will always be one of "our favorite things"!

Maggie—You and your two daughters noticed New York. You've juggled while surrounded by fools in a ready-to-burn Paris. You've been a super trouper of a dancing queen. You've pregnant-ly pranced in prison and stomped your way through the Windy City 'cause he had it coming. And through it all . . .
